115 Stockbridge Hall
Amherst, MA 01003-9246

Dedication

This yearbook is dedicated to the families and friends who have supported us through these past two years; and to the faculty and staff, for without them, we would not be.

STOCKBRIDGE SCHOOL OF AGRICULTURE

UNIVERSITY OF MASSACHUSETTS AMHERST

OFFICE OF THE DIRECTOR
STOCKBRIDGE HALL

AMHERST, MA 01003
413/545-2222

May 2002

Dear members of the Class of 2002,

Congratulations! On behalf of the faculty, staff and myself, we are proud that you have achieved your goal of graduating from the Stockbridge School. Now you are an official member of the Stockbridge School alumni who number more than 6,000 strong.

Graduation is a bittersweet moment, for you, the faculty and staff. These two years have gone by very quickly. We are delighted you have attained the knowledge you were seeking but we are sorry to see you leave. I encourage you to stay in touch with the faculty and the School through the years.

We hope you graduate with fond memories about our little school, your classmates and the faculty. You should have a few good stories to tell at your twenty-fifth Stockbridge School reunion in 2027. I asked members of the class to tell me the fads during your college years. The responses are as follows: AOL instant messaging, cell phones, body art and piercing, TV shows such as Friends and The Osborne's, Hip hop music, chicken wings from the Hanger, pizza from Antonio's and cheap beer on thirsty Thursday, Rafter's, movies such as Black Hawk Down and Lord of the Rings, OzFest, shaved heads, belly shirts and bellbottoms. And the terrorist attacks on September 11, 2001 that has forever changed our country.

I wish to thank the seniors on the Student Board of Directors who were busy this year planning events such as the Holly Jolly dance and the senior picnic, sponsored a raffle, produced the yearbook, coordinated the student class gift of jackets and planted the Class of 2002 gift of a Dragon's Eye Red Pine between South College and Thompson Hall. Many of the Board members and others were great ambassadors of the School assisting Kathy with recruiting activities such as the Fall and Spring Open Houses, Field Day and the Job Fair. I greatly appreciate all your hard work!!

Jennifer Oey single handedly undertook the layout and assembly of your yearbook. She has done a phenomenal job!! Thank you for your tenacity and patience in completing this endeavor.

Lastly, I leave you with a quote from Eleanor Roosevelt, "The future belongs to those who believe in the beauty of their dreams." Continue to dream. I wish each member of the Class of 2002 continued success with your budding careers.

Best Wishes,

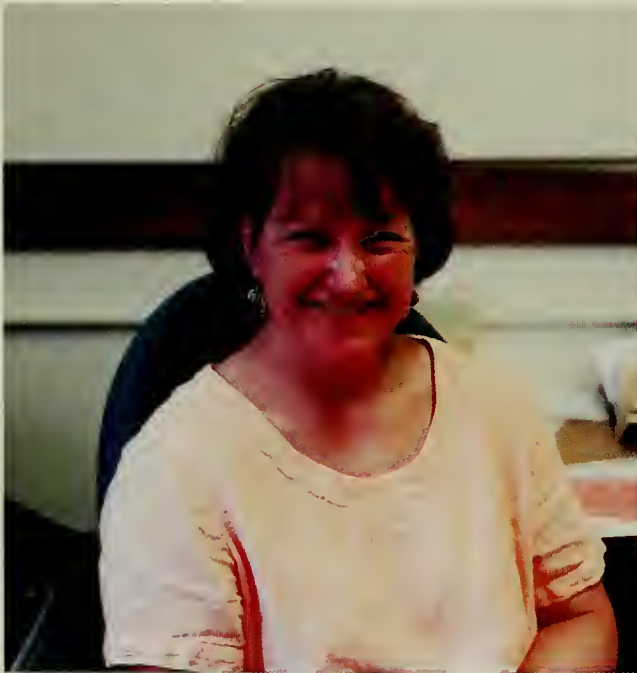

Nancy L. Garabrant

In Memory

Josh Snyder was one of the most respected student/athletes that I have ever had the pleasure to come into contact with. He was a responsible and caring individual who was always there when you needed him. He was not only admired by his classmates, but me as well. He was loved by all who knew him. I feel privileged and honored to have had the opportunity to know him not only as an athlete, but more important, as a friend. He will be truly missed.

~ Jason Germain, Basketball Coach

BOARD OF DIRECTORS ACTIVITIES

The Senior class gift, a tree, is planted between South College and Thompson. (L to R) Bernie Conway, Kevin Narbonne, Patrick Parent, Yerick Mendez, Deb Young

Belchertown police officer Adam Broughm was the lucky winner of the 2002 Stockbridge Yearbook Fundraiser. He is pictured with fundraiser head, Jennifer Oey.

Professor John Zak Memorial Scholarship

Professor John Zak was a faculty member in the Plant and Soil Sciences department from 1938-84. He was a highly respected and well-loved teacher at the Stockbridge School for many years. His passion for teaching and agriculture, coupled with his wonderful sense of humor, eased students into the educational arena of the academically challenging Soils course. He also taught courses on fertilizers and basic factors of turf construction and maintenance.

DID YOU KNOW...?

- 🌿 When it first opened in 1867, Massachusetts Agricultural College (M.A.C.) boasted five faculty and thirty-three students.
- 🌿 The first greenhouses were built in 1867 and named Durfee Plant Houses for Dr. Nathan Durfee who donated \$10,000 for their construction.
- 🌿 A two-year short course in Practical Agriculture was introduced in 1893, but due to poor organization, it was discontinued in 1896. However, it was re-established in 1918. The first year consisted of six months study followed by six months of farm practice. The second year was nine months of resident study.
- 🌿 Stockbridge Hall was built in 1914 and dedicated in honor of Levi Stockbridge on October 29, 1915 by William H. Bowker.
- 🌿 The first yearbook was published by the Class of 1921. It was called the SHORTHORN, a nickname given to the incoming freshmen. It was later changed to STOSAG in 1958. STOSAG was not only the name of the yearbook but was also the name of the honor society for the school from 1937 to 1962. The name for the honor society was changed in 1963 to LEAR, a word of Celtic origin meaning learning.
- 🌿 Costs of school in 1922 were...free tuition to Massachusetts's citizens, \$7/week for board, and textbooks & stationary ranged from \$24-\$51/term.
- 🌿 Massachusetts Agricultural College became Massachusetts State College in 1927.
- 🌿 In 1928, the two-year course was renamed the Stockbridge School of Agriculture. Once again honoring Levi Stockbridge, one of the founding fathers, professor, and fifth president of the Massachusetts Agricultural College.
- 🌿 "Terms" were changed to "semesters" in 1933.
- 🌿 Massachusetts State College became the University of Massachusetts in 1947.
- 🌿 The Class of 1961 was the first to receive an Associate of Science degree instead of a diploma.
- 🌿 The Stockbridge School seal was designed by Alice A. Tognini '67 who submitted her idea as part of a contest judged by the yearbook editors Calvin T. Saulnier '69 and Paul A. Parent '70.

25 Years Ago ~ 1977

There were 79 teachers instructing 265 seniors

Majors

Agricultural Business Management
Animal Science
Arboriculture and Park
Floriculture

A L U M N I

"Your commencement is just the beginning! Many choices lie ahead of you. The decisions you make will determine the success of your future. You hold the world in the palm of your hand. Challenges may occur throughout your life, but your desire and determination can overcome them. Of the many accomplishments that you will achieve throughout life, it is your name and reputation that people will remember. Take these tools you have gained from your education and build upon them. You are joining our alumni family. Remember Stockbridge School with the fondness and appreciation you have today."

Congratulations Shawn

We are so proud of you!

Love,
Mom, Dad, Pat, and Maisie

Congratulations Dan!

*We always knew you'd do well
